For the benefit of all...

Golf officially came to Port Moresby on Saturday the 2nd of August 1930 when the Port Moresby Golf Links on Konedobu Road were opened by Sir Hubert Murray. The Port Moresby Golf Club was incorporated in 1975 and the Club's Bylaws have been developed and refined over the years to ensure safe and functional operation of the Club, for the benefit of members, staff and visitors alike.

By entering the Clubhouse, course and haus win you agree to comply with the Bylaws, codes of conduct in force from time to time, and the daily rules of play.

Safety...

Your personal safety in the Clubhouse and course is paramount and for that reason rules have been established with personal safety in mind. Whilst rules pertaining to caddies and others on the course may appear harsh they have been established for your protection and failure to comply may result in harm to yourself, your property and your fellow players. Incidents involving firearms have occurred in the past.
